

CNC Operator

Metals 2 Go is a large metal distributor with a metal fabrication division. We sell most any kind and size metal to suit the customer's needs as an individual or company. We are known for our excellent customer service. Therefore, we are looking for employees who can follow through with providing excellent customer service connected to their area of expertise.

The following benefits are offered to full-time employees hired by Metals 2 Go: Health Insurance, Life Insurance, LTD Insurance, 401k, Paid Vacation, and Paid Holidays.

- An operator for a Messer plate burning table, using plasma torches, it has a 10' x 40' table.
- An operator for a Laser machine, one is an Amada and the other is a Cincinnati.
- Must be able to read a chart to convert decimals to fractions, and fractions to decimals (VERY IMPORTANT).
- Ability to read a tape measure down to the 16th and ability to read a Micrometer
- We are willing to train someone who has some knowledge of the above equipment.
- Non-Smokers premises.
- You must be willing to work in other areas as needed and requested.
- Non air-conditioned building
- Quitting time is not set in stone for employees working in the Warehouse. It is normally 3:00, but if there is a truck to unload, or load, they will be required to stay and take care of that before leaving. It could be 6:00, or at times it could even be 10:00. That isn't often, but it does happen.
 - 1st Shift: 6:00 a.m. until work is done. Can go until later in the evening.
 - 2nd Shift: 5:00 p.m. until work is done. Can go until early morning hours.
- After our interview, if we are interested, we would require the following:
 - Drug Test
 - Physical
 - Background Check
